Governor Schwarzenegger has formed a general purpose ballot measure committee (Governor Schwarzenegger's California Recovery Team, FPPC # 1261406) to raise funds to support the Governor's agenda through the initiative process, legislative process or through grassroots activities. The committee may also use funds to oppose initiatives that harm the Governor's plan for economic recovery and government reform. Contributions are not tax deductible for federal income tax purposes.

There are no limits to contributions to the CRT. Corporate and general PAC contributions are permissible. Contributions from public employee union PACs will not be accepted. Foreign nationals are prohibited from making contributions to this committee, unless they have permanent residency status in the United States of America (a Green Card).
